

## REMARKS

The present Amendment cancels system and computer program product claims 11, 12, 14, 18, 20, 22, 23 and 25 leaving only method claims 1, 3, 5-10, 15, 17 and 26 present in this application. Applicants wish to file a Continuation application with the claims canceled herein.

During a telephone conversation with Examiner Chavis on October 30, 2007, the Examiner indicated that he believed that this Amendment would be entered as Applicants are only requesting that claims be canceled.

In addition, however, the Examiner requested that that claim 26 be amended to insert a period at the end of the claim. This inadvertent error has also been corrected by this Amendment, and the Examiner is thanked for bringing this matter to Applicants' attention.

For the above reasons, Applicants respectfully request entry of this Amendment pursuant to the provisions of 37 C.F.R. § 1.312 without withdrawing the case from issue. The Examiner is invited to call the undersigned at the below-listed telephone number.

DATE: November 1, 2007

Respectfully submitted,
